

# POLICY SUMMIT HEALTH & SAFETY PLAN

---

Any attendee experience symptoms of COVID-19 must refrain from attending the in-person portion of the conference. The CDC states the symptoms of COVID-19 include: fever or chills, cough, shortness of breath or difficulty breathing, fatigue, muscle or body aches, headaches, new loss of taste or smell, sore throat, congestion or running nose, nausea or vomiting, diarrhea, or a fever (100.4° F or higher). As a reminder, all attendees have access to view the event virtually.

---

# MASKS

**UPDATE 8/16/21**

**All attendees must wear masks on-site at the  
ASGCT Policy Summit.**

Washington, D.C. has required all individuals gathering indoors to use masks regardless of vaccinations status. The CDC also recommends that fully vaccinated people wear masks in public indoor settings in areas of substantial or high transmission, which now includes Washington, D.C.

---

# PHYSICAL DISTANCING

The in-person portion of the Policy Summit will be held in compliance with all CDC and Washington, D.C. guidelines, including 6-foot spacing between attendees to encourage proper physical distancing.

Please refrain from handshakes, hugs, or high-fives.

---

# CLEANING AND SANITIZING

The hotel has increased cleaning frequency and sanitizing all public spaces. The conference room will be thoroughly sanitized each day, and surfaces including countertops, escalators, elevators, and elevator buttons, vending machines, door handles, public bathrooms, ATMs, stair and escalator are also cleaned multiples times per day.

The audio-visual provider will wipe down audio visual equipment in-between sessions.

Disinfectant wipes and hand sanitizer will be provided in the conference room.

You can review host hotel protocols and practices at [WHATTOEXPECT.MARRIOTT.COM/WASJW](https://www.marriott.com/whattoexpect/wasjw)

---

# FOOD AND BEVERAGE

Food and beverage service will be provided in a minimal contact manner (i.e. individually packaged food and wait staff distributing items when necessary).

# SIGNAGE

Physical and digital signage as well as floor markings will be placed in appropriate areas to promote directional information, hygiene practices, and physical distancing.
