

Support the Spotlight on Immuno-Oncology

ABOUT

The Spotlight on Immuno-Oncology conference aims to transcend the basics of cell therapy and CAR-T cells to dig deeper into gene engineering and the intersection of gene and cell therapy in this space. This conference will encourage dialogue and spark breakthroughs in immuno-oncology.

Speakers will focus on a variety of topics, including: novel CAR designs and approaches beyond B-Cell malignancies, genome and epigenome editing, and direct in vivo delivery for cancer immunotherapy.

DETAILS

When: Tuesday August 1
Pacific Time Zone 8:00 AM - 5:00 PM

Wednesday, August 2
8:00 AM - 12:00 PM

Where: Seattle, Washington
Hilton Motif Seattle
1415 5th Avenue, Seattle, WA 98101

Program: Learn more about the [program and speakers!](#)

GENERAL CONTRIBUTIONS

\$20,000

- Logo scaled to 100% on:
 - The asgct.org Spotlight on Immuno-Oncology sponsor webpage
 - Virtual platform and onsite signage
- Logo in Spotlight on Immuno-Oncology emails
- Two complimentary registrations

\$10,000

- Logo scaled to 75% on:
 - The asgct.org Spotlight on Immuno-Oncology sponsor webpage
 - Virtual platform and onsite signage
- One complimentary registration

\$5,000

- Logo scaled to 50% on:
 - Spotlight on Immuno-Oncology sponsor webpage
 - Virtual platform and onsite signage

BRAND RECOGNITION

Reception Sponsor (\$4,000, exclusive)

- Branded napkins
- Signage at the in-person Spotlight on Immuno-Oncology Reception

Coffee Sponsor (\$4,000, exclusive)

- Branded napkins
- Signage at the in-person Spotlight on Immuno-Oncology coffee breaks

ON DEMAND CONTENT

On Demand Presentation (\$3,500, unlimited)

- 30 min pre-recorded on-demand video to be placed on virtual platform
- Included in on-demand 30 days post live event
