

# COVID-19 Symposium

COMPANY SPONSORED PARTICIPATION

The American Society of Gene & Cell Therapy's virtual COVID-19 Symposium, September 15-16, 2020, will highlight the advances in understanding SARS-CoV-2 and treating COVID-19. Let the ASGCT audience know about your corporate solutions related to COVID-19 by participating in the two opportunities below.

## 1-HOUR SPONSORED SESSION

**\$5,000**

### HOW IT WILL WORK

Engage with the ASGCT audience and host a live or pre-recorded one-hour session during the COVID-19 Symposium. You control the content, planning, and provide us a URL link to a Zoom meeting or another webinar platform where your company will present. We will then include your URL link and basic session information in our program agenda. Please note, we do not track specific session registrations, cannot guarantee session attendance, or provide lead retrieval or contact information.

### BENEFITS

ASGCT will promote your session in our meeting materials. This includes your company logo, session title, and URL link to your webinar platform listed in the program agenda and virtual meeting website.

### CONCURRENT SESSION TIMES

#### Tuesday, September 15

12 PM - 1 PM. CDT - 6 spots available  
5 PM. - 6 PM CDT - 4 spots available

#### Wednesday, September 16

12 PM - 1 PM CDT - 6 spots available

**Logo, 40 word description, and URL of your choice for the lunch session button included!**

TUESDAY  
September 15th

12:00 PM - 1:00 PM CDT

#### Sponsored Lunch Sessions

The American Society of Gene & Cell Therapy (ASGCT) is the primary membership organization for scientists, physicians, professionals, and patient advocates involved in gene and cell therapy. Our mission is to advance knowledge, awareness, and education leading to discovery and clinical application of gene and cell therapies to alleviate disease.
