

PATIENT EDUCATION

The ASGCT [Patient Education](#) program provides accurate, reliable, and accessible information about gene and cell therapies to patients and the public. ASGCT collaborates with patient advocacy groups to make sure the information is clear and useful, while members of the ASGCT Patient Outreach Committee use their expertise in the field to provide scientific accuracy. “We use your Gene Therapy Basics video. It's absolutely fantastic—very user-friendly and very easy to understand.”
—Patient Advocate

“We were able to utilize your resources as factually informative around gene therapy and because it is just exceptionally good.”
—Patient Advocate

Impact and Growth

550,000+

VIEWS

Since launching in January 2018, ASGCT's educational videos have been viewed over 550,000 times.

27

EXPERT SOURCES

The Society's scientific volunteer members ensure accurate information.

4 mins

OF INTERACTION

The average time on a Patient Education web page is over 4 minutes!

40,000+

VISITS

To the Patient Education [website](#) from October 1–December 31, 2021.

Lunch & Learns

Join us live for a new offering! Monthly virtual [Lunch & Learn series](#) will begin on February 24, 2022 with the first topic being Gene Therapy 101.
