

Media Kit

The American Society of Gene & Cell Therapy is the primary professional membership organization for gene and cell therapy, with a mission to advance knowledge, awareness, and education leading to the discovery and clinical application of genetic and cellular therapies to alleviate human disease.

We offer a variety of advertising opportunities to reach our audiences of gene and cell therapy professionals. Learn more about the Society and how we can help you meet your goals!

Webinar Page Banners

Professional Development Café Series

Enhance your recruitment efforts by advertising during our Professional Development Cafés! These monthly, two-hour webinars provide up-to-date, high-quality education to a professional audience, with a special focus on early-career professionals. Topics alternate between soft and hard skills, ranging from career development matters (team management, finding employment in both industry and academic settings) to technical topics related to CRISPR, AAV Vectors, GLP and GMP regulations, and more.

[Learn more about the Professional Development Café series here.](#)

Exclusive Hyperlinked Banner Ads – \$2,500 per Webinar

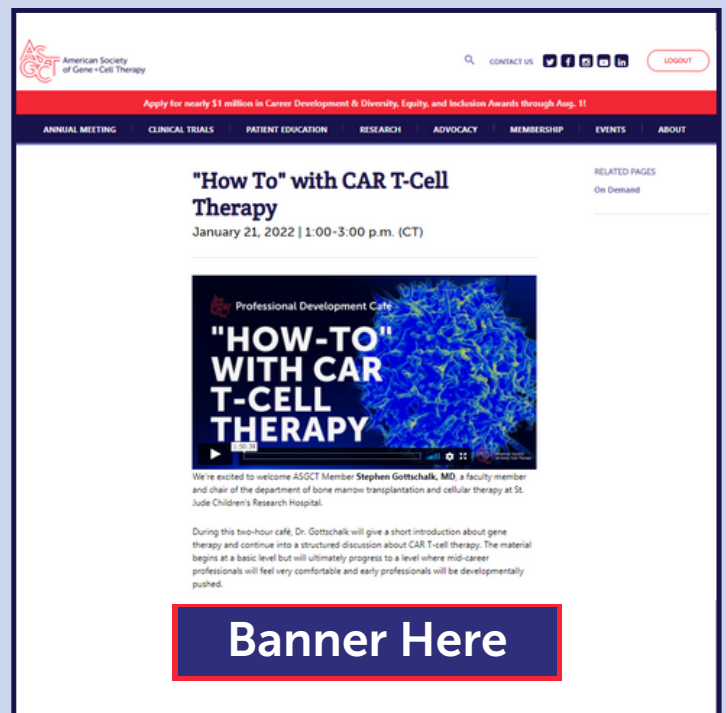

Reach your target audience by placing an exclusive hyperlinked banner ad on your chosen Professional Development Café webinar page. A great way to get noticed by gene and cell therapy professionals early in their careers!

Cafés draw, on average, **300 attendees** with certain topics attracting **up to 1,000**. Placements include both live event and on demand exposure.

[Click Here to view the upcoming schedule and availability.](#)

How to Order

Please contact advertising@asgct.org to discuss advertising options, ask questions, and secure placements.

- ✓ Dimensions: 650 x 150 pixels
- ✓ .JPG or .PNG
- ✓ URL for hyperlink (tracking URLs welcome!)
