

SPONSOR ASGCT'S Professional Development Cafés

About The Cafés

Our Professional Development Cafés are monthly, two-hour webinars that aim to advance our mission of providing up-to-date, high-quality education to a professional audience, with a special focus on early-career professionals. Topics alternate between soft and hard skills, ranging from career development matters, such as team management and finding employment in both industry and academic, to technical topics related to CRISPR, AAV Vectors, GLP and GMP regulations, and more.
